## **PROFIT WARNING**

This announcement is made by China-Hongkong Photo Products Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on its preliminary assessment of the unaudited management accounts of the Group and information currently available to the Board, the Group expects to achieve a net profit attributable to the Shareholders of not more than HK\$7.5 million for the six months ended 30 September 2024 (the "**Current Period**") as compared to a net profit attributable to the Shareholders of approximately HK\$28.7 million for the corresponding period ended 30 September 2023 (the "**Previous Period**").

The Board believes that the decrease in profit in the Current Period, as compared to the Previous Period, was mainly attributable to:

- (i) a decrease in revenue and gross profit due to dampened consumer sentiment;
- (ii) the absence of an income tax credit in the Current Period, in contrast to the Previous Period, where there was an income tax credit due to the recognition of a larger amount of deferred tax asset;
- (iii) a provision for impairment loss on financial assets due to uncertainty in recovering trade receivables from a customer; and

- (iv) an increase in the provision for impairment loss on property, plant and equipment, and right-of-use assets, due to the unsatisfactory performance of certain retail stores.

Nevertheless, the Board considers that the overall financial position and operations of the Group remain solid.

The information contained in this announcement is only based on the preliminary assessment by the Board of the information currently available and the latest available unaudited management accounts of the Group, which have not been reviewed by the Company's audit committee or auditors and may be subject to adjustments as and when necessary. The Company is in the process of preparing and finalizing the interim results of the Group for the Current Period which is to be announced in late November 2024.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
